AATONAU!

Thank you for booking your AATONAU feature!

To get started, please send us the following materials within two weeks. If you need more time, just let us know.

1. 8–12 images of your artwork (plus an optional portrait of yourself).
2. Your answers to the short questionnaire below:

- Please introduce yourself and share how your background shapes your artistic practice.
- How did you become an artist, and what defines your style and main themes today?
- Who or what has most influenced your work, from other artists to personal experiences?
- Tell us about one meaningful piece: why it matters and which medium you used.
- How do you work day to day, and what project are you eager to realize next?

How to submit your materials

Please email everything to art@aatonau.com. For larger files, you can simply share a download link using WeTransfer, Google Drive, or Dropbox.

Focus on what matters most to you—feel free to skip any questions or include additional information you'd like us to highlight.

No need to stress. We'll take care of the editing and refinement.

Warm regards,
The AATONAU Team
